

## Help with graphic problem, graphic card?

Publicado por Robinson - 18 May 2018 08:44

Hi,

I apologize if this is in the wrong place.

I literally just installed Blender to give it a try and whenever I try to move an object I get this black line across my screen that disappears when I stop moving it... any ideas?

My graphic card is one of those dual switchable ones.

Any help will be appreciated.

I didn't find the right solution from the Internet.

Albion [nike roshe run](#) Online tries to [michael kors](#) put the [coach factory outlet](#) focus on [swarov](#)

Most players [hogan shoes](#) obviously [the north face](#) go [nba jersey](#) and level up their weapons and armor [nike](#) because everyone [easton bats](#) in Albion aims for [ralph lauren uk](#) a [north face jackets](#) build. [ralph lauren](#) Since weapons [tory burch sale](#) and [swarovski crystal](#) armor both [tommy hilfiger online](#) give you different [tommy hilfiger online shop](#) skills and [phoenix suns jerseys](#) spells, [oakley sunglasses](#) there [michael kors handbags](#) will [detroit pistons jersey](#) always [nike roche](#) be some [polo ralph lauren](#) sort [converse](#) of [oakley](#) a [michael kors bags](#) meta with [flat iron](#) armor set/weapon [kate spade handbags](#) combinations. So most players [mcm backpack](#) at [nike shoes](#) the start are [michael kors](#) set to just [philipp plein clothes](#) grind [ray ban outlet](#) their way to [asics shoes](#) a

Albion Online [barbour](#) tries [nfl colts jerseys](#) to put the [wholesale handbags](#) focus on bigger

[air max](#)

[2007](#)

Scattered in

you

[nfl jets jerseys](#)

It's

Most [pandora bracelet](#) players [ralph lauren uk](#) obviously [fred perry polos](#) go and [mizuno](#) level up their

[sacramento kings jerseys](#)

in the
